A note from the Principal

Just a reminder, conferences will be held on March 7th and the 9th. If you have not received the information on how to sign up electronically, please call the office at 425-3601.

February is "I Love to Read" month. Throughout the entire month we have activities planned around reading. Staff members and students will be reading in many different places as well as playing different games based upon their favorite book. I would also encourage you as parents to pass the cold February evenings by taking time to read with your child. No matter what their age, the benefits of reading with your child will have a positive impact within school and help develop a lifelong love of reading!

To culminate our "I Love to Read" month, Pullman will be holding our annual reading breakfast on March 2nd. This will take place from 7:45-8:30 AM and students receive a free book and a treat. I look forward to seeing many of our families at this great event.

Stay Warm!
