## A note from the Principal

There are many different activities and events that are coming up during the last month of school. Please make sure to watch for grade level newsletters the next few weeks.

Our end of the year field day will take place on **June 1st**. We will again be asking for parent volunteers on that day to run games/stations as we reward our students for working hard all year. An email will be sent out soon requesting volunteers.

Report cards will be mailed home the first week of summer break. If you should have questions regarding the report cards, please call us at 425-3601.

A special recognition needs to go out to our PTA parents who have served our students, families and staff on our PTA board. Thank you goes out to Hailey Howland (President), Mindy Sylte (Treasurer), Sarah Krueger (Vice president) and Samantha Winsor (Secretary). Their dedication and commitment to the PTA has helped establish a tradition of helping our school and students succeed.

It is hard to believe that another year is drawing to a close. I appreciate all parents/family members who volunteered their time at school events, classroom events or attended our evening school functions. We value your continued support. Remember to have students take the time to pick up a good book and to keep their skills going during the long summer months.

I wish everyone a safe and enjoyable summer.

## GYM "NEWS" IUM

We are looking forward to the annual 5th grade track meet at Park HS. We will be in need of parent volunteers/chaperones. If you are available to help out for a half or full day, please let us know. We will begin preparing for the meet during PE in May.

**What:** Annual 5th Gr. Track and Field Meet

**Where:** Park HS Stadium

**When:** Wednesday, May 23

We want to remind you of a few summer sun safety tips:

- When applying sunscreen, apply generously. A lotion application about the size of a golf ball should be used to cover an adult.
- Sunscreen should be applied 30 minutes before going outdoors.
- Reapply every two hours, or after swimming or activities that cause sweating.
- UV rays not only reflect off the water, but can bounce back from sand or even concrete- so be extra cautious when involved in activities in these surroundings.
- Have a safe and fit summer.

## Lunchroom Accounts

Effective May 1<sup>st</sup> student's lunch accounts must be paid in full. Negative balances must be paid in full no later than May 25<sup>th</sup>. All 5<sup>th</sup> grade accounts must have a positive or \$0 balance before they move on to the Middle school.
