A note from the Principal

Welcome Back! All of us at Pullman hope your holiday break was restful and relaxing!

As we start the New Year, many of us will make New Year's resolutions. I ask that this year, you add one more that deals with your family. Pledge to spend more time each week reading with your child so that you instill the importance of reading in their everyday life. It doesn't need to be long, only 10-15 minutes per day. Whether your child is already reading or has just begun, now is the perfect time to get started. Choose a book that you both enjoy reading and find a time to read when you aren't rushed or stressed. It will make a difference in your child's performance at school as well.

Our winter conferences take place on February 22nd and 27th. A notice will be sent home later this month on how to sign up electronically for your child's conference. If you have questions on how to sign up, or don't have the ability to sign up on-line, please call 425-3601.

As we continue to strive for excellence our hope is that you will stay involved and supportive of your child's progress. Please do not hesitate to contact the teacher with any questions you might have. I look forward to seeing many of you at our upcoming PTA meetings, band concerts and conferences. Being involved makes a difference with your child! Thanks again for your support.

Sincerely,

Ed Ross/Principal

Information from the Crossing Guards

As you are driving your child(ren) to school, keep an eye on the Crossing Guards. **Please don't drive through the flags when they are out in the street.** When in doubt **slow down** and if the patrols are **not** in the street with flags extended, it should be safe to pass.

Thank you!

January Dates to Remember

monday	tuesday	wednesday	thursday	friday
